

# *VOICE Dental Campaign Action*

## *Please join us!*

Virginians Organized for Interfaith Community Engagement (VOICE) is seeking corporate support to hire a dentist in the Sterling Northern Virginia Dental Clinic to provide *affordable* dental services for people in western Fairfax County. VOICE has received an anonymous donation in the amount of \$100,000 for this purpose and has already raised \$30,000 in matching funds. VOICE is asking support from Janet Howell, Virginia State Senator, and Sharon Bulova, Chairperson, Fairfax Board of Supervisors, to help raise the additional \$70,000 in matching funds required for this campaign.

Both Senator Howell and Chairperson Bulova will attend a meeting here at St. John Neumann on January 29. We ask only for your presence at this meeting to demonstrate to our elected officials our support for this important project. One hour of your time could help countless neighbors in need of dental care.

## *Support Affordable Dental Care*

**Sunday, January 29**

**2:45—3:45pm**

**St. John Neumann Parish Center**
