Our Mission and Vision

Congregation Beth Emeth Mission

The Mission Statement defines the synagogue's reason for being, what we do today, and who we serve.

Congregation Beth Emeth is a welcoming, inclusive, and egalitarian Conservative Jewish community. Balancing tradition with innovation in support of our diverse congregation, and in support of Israel, we strengthen Jewish identity on both an individual and communal level. We encourage participation and lay leadership in a full range of religious, worship, educational, and social activities. In doing these things we foster Jewish values and observance for the current and next generations.

Congregation Beth Emeth Vision

The Vision Statement describes the desired future state; what the synagogue wants to ultimately become.

Congregation Beth Emeth aspires to be a vibrant, inspirational, and beloved synagogue meeting the religious, worship, educational, and social needs of all generations, while actively engaging in partnerships with the broader community.

Holocaust Torah Rededication Shabbat

December 9 - 10, 2022

This year marks 25 years since our Holocaust Torah was brought to Beth Emeth, on permanent loan from what is now the Memorial Scrolls Trust of London, England. This scroll, MST#11, was originally from an unknown town in Bohemia or Moravia. It was one of 1564 Torahs confiscated during the Holocaust and put into the Jewish Museum in Prague under the Nazis. More information about the journey of our Torah and how it came to Beth Emeth is at <https://www.bethemeth.org/holocaust-torah>.

On December 9-10 we will hold several special services and events to rededicate our stewardship of this Torah and the way it connects us to the memory of the Holocaust. This will be a very special time and we hope you will join us. Watch your email and the *Shofar* for more information.
